

The Loss Art

Honour your grief.
Reimagine your future.

Come together with certified Creative Grief Coach Julie Maltby for a unique and intimate experience of healing, hope and belonging.

The Loss Art retreat participants will enjoy 2 full days of:

- Conversations that guide you to imagine a future with hope and joy
- Tapping into your innate creativity to honour the death of a beloved person or pet, or any significant ending
- Time to bond with the group, reflect on your own and explore by the water
- Specially prepared food sourced from Ontario's Garden
- A calming, lakeside environment in Port Dover, Ontario

When we embrace creativity, we can find more peace and joy in each day - and engage in life again after loss.
